Date: 9th August
Time: 9am - 2pm
Venue: Jandowae Hospital
Appointment Bookings: 4663 4555

Shell Questacon
Dalby Pop-Up Science Centre
The Shell Questacon Science Circus is a great opportunity for parents and children to share, discover and explore science together. You can encourage a fascination and enjoyment of science by exploring hands-on exhibits. Come along and spin like an ice-skater, discover how fast you can throw a ball, freeze your shadow on a wall and test your reflexes. Spectacular science shows are presented regularly during opening hours. You may see giant smoke rings, bricks being smashed on someone’s stomach or a Science Circus presenter lighting their hands on fire! Science toys are for sale from our shop.

Wednesday, 1st August 2018: 4pm - 7pm
Dalby PCYC
Adults $6, Students/Concessions $5, Family $18

Week 2 Term 3 2018

‘Jimbour State School’s Explicit Improvement Agenda for 2018 is the Teaching of Reading using the ‘Big 6’ framework.’

Principal’s Pen
Dear Parents, Caregivers and Community Members,

Welcome back - I hope everyone had a nice time with their family over the school holiday break. A special welcome to Noah who has joined us in year 1 this term. All our students have loved having a new person in our school and have been very welcoming.

Planet Ark Plant a Tree Day - on Friday, 27th July, Leah from Bunnings will again be visiting us to help us plant a tree for this national event. They will again be donating the tree to us to add to the beautification of our grounds. We are yet to confirm a time that she will be visiting.

Gregg Dreise - last Wednesday we had the opportunity to go to the Bunya/Bell Community Centre to see Gregg perform. He is an aboriginal author who spoke about and performed one of his books. He had a great message about reading for the students and they all enjoyed the performance. Once again our students are to be commended on their great behaviour during this excursion.

Premier’s Reading Challenge - I hope we are all continuing reading for the challenge.

Questacon Science Circus - will be visiting us on Thursday, 2nd August. There will be a cost of $5 per child, as you will already be aware from the permission slip. This is a great opportunity for our students as the circus does not always visit small schools but we have been lucky enough to get them this year. Please return slips and money if you have not already done so.

Banking - those who are wanting to do school banking please bring your bank book to school on Wednesday.

Upcoming Events - Please keep an eye on the ‘date claimers’ section of the newsletter to know what is coming up. We have soccer at Quinalow and touch football in Dalby during this term.

Staff onsite - the following dates are days I will be off site. I am passing on this information because other staff are not on site as early as I am but we will have someone there for the bus at around 8:15am.

Monday, 6th August

Same day contact - If your child or children are going to be away please make contact with us at school by 9:30am. If we have not heard from you one of the staff will ring to check in with you. Please be aware that this is an Education Department policy that we make contact and is about the safety of the students. We just need to be aware that students are where they should be. Thanks in advance for your support on this.

Have a great fortnight.
Darin May

Date Claimers
Term 3 (10 Weeks)
2 August: Questacon Science Circus
10 August: Quinalow Soccer/Netball Carnival yrs 3-6
13 September: Kaimkillenbun Touch Carnival yrs 3-6

Address: Dalby-Jandowae Road, JIMBOUR , QLD 4406 | Email: theprincipal@jimbours.eq.edu.au
Congratulations to Paige on her 100% attendance during the whole of Semester 1. What an exceptional achievement Paige! Well done.

P&C News

P&C Proposed change to school uniform
The Jimbour State School P&C would like to advise of a proposed uniform change for the school. The girl’s uniform to also include the option of them wearing black shorts. Black tracksuit pants to be added as an option for all students. This change is in line with the new Education Queensland information allowing shorts as part of a school’s uniform.
Any objections to this change must be submitted in writing to the Jimbour State School P&C by Friday, 17th August.

Student Awards

Congratulations to Students of the week:
Noah for making a great start and settling well into his new school & Keilan for quickly getting back into school routines and completing set tasks.

Congratulations to Lachlan, Ariana, Hamish & Evan for completing Round 1 of the Impact Centre’s “Just Write” Program.

Exemption for Compulsory Schooling & Compulsory Participation
Parents need to complete an application for students who are away for more than 10 consecutive school days for an exemption to compulsory schooling. Exemptions may include but are not limited to:

- Illness
- Family Reasons
- Cultural or Religious reasons

 Principals (state schools) are responsible for determining if an exemption is the best option in meeting a student’s educational and other needs, and approving exemptions for students enrolled in their school. More information can be found on the policy “Exemption for Compulsory Schooling & Compulsory Participation.”

Religious Instruction

Religious Instruction (RI) is offered at the school and is conducted on Mondays in the afternoon session for Year 1 - 6. The faith group that provide religious instructors to deliver an authorised program are:

<table>
<thead>
<tr>
<th>Arrangements for Programs</th>
<th>Participating faith group</th>
<th>Name of authorised program</th>
</tr>
</thead>
<tbody>
<tr>
<td>Cooperative Program</td>
<td>Dalby Christian Family Church</td>
<td>Access Ministries</td>
</tr>
</tbody>
</table>

Students are allocated to RI based on information provided by parents on the completed Application for Student Enrolment unless other written instructions have been provided to the school.

Note: This information remains operational unless the parent informs the school otherwise in writing.

- Students who are not participating in RI will be provided with other instruction in a separate location. Other instruction must relate to part of a subject area already covered in class and may include, but is not restricted to:
  - Personal research and / or assignments
  - Revision of class work such as creative writing and literacy and / or numeracy currently accessed by the students of that school
  - Wider reading such as independent reading appropriate to the student

Parents will be advised of any changes to the RI and other instruction programs to ensure they are able to make an informed decision on their child’s participation.
