

Investing for Success

**Under this agreement for 2016
Jimbour State School will receive**

\$10,525

This funding will be used to

- All students will have a relative gain above the Queensland average in Literacy and Numeracy.
- Students at risk of not achieving this relative gain will be identified and have an evidence based learning plan in place.
- Have 50% of students in the U2B in Reading and Numeracy.

Our initiatives include

- Implement continuous assessment strategies to monitor student progress and inform teaching practice and focused intervention groups
- Increase the amount of direct instruction and time given to each student.
- Utilize online programs such as Mathletics and Reading Eggs to enhance learning.

Our school will improve student outcomes by

Purchasing teacher hours to increase the staff number directly working with students.	\$8000
Purchasing Teacher Aide Hours to assist the teacher with the implementation of intervention groups and data collection.	\$1200
Purchasing online resources for Literacy and Numeracy to enhance the learning process	\$1325
