Under the agreement for 2015
Jimbour State School will receive

*$7,960*  
*Estimated on 2014 data. Actual funding will be determined after 2015 enrolment data is finalised.

This funding will be used to

- Ensure all students meet National Minimum Standards in Literacy and Numeracy.
- Students at risk of not meeting National Minimum Standards will be identified and have an evidence based learning plan in place.
- Increase percentage of students in the U2B in Reading and Numeracy to 33%.
- Enhance the capacity of teachers and teacher aides in Explicit Instruction.

Our strategy will be to

- Implement continuous assessment strategies to monitor student progress and inform teaching practice and focused intervention groups
- Build teacher and teacher aide capability though professional development in Explicit Instruction.
- Utilise online extension programs such as Project 600.

References:

Our school will improve student outcomes by

- Purchasing Teacher Aide Hours to assist the teacher with the implementation of intervention groups and data collection. $4,400
- Attending professional development in Explicit Instruction to feel confident in the delivery of lessons across the school. $3,000
- Enrolling students into extension and enrichment programs such as Project 600. $560
